Focusing on people who get to Alcoholics Anonymous earlier in life, this workshop is designed for all AA members. With a brand new central service approved DVD being presented on the topic, and a panel of 3 speakers, this promises to be a good sharing opportunity of experience, strength and hope.

Workshop includes:

- A 3 member panel discussion
- A question/answer session with panel
- Pamphlets and other information

It works if you work it, so work it, you're worth it!
