## **PROCEDURES**

The main purpose of pre registration is to avoid the rush at the registration tables and free up the volunteers to take in as much of the weekend as possible.

Two hundred Banquet tickets will be available on a first come first served basis. Anyone who Pre-Registers may order a banquet ticket at the same time, and the Banquet Ticket will be matched with your Name Tag.

As registrations are received, Name Tags will be prepared and those for outside the area of District 9 will be forwarded to a contact in the area concerned, or mailed, as appropriate.

For those within District 9, registrations will be passed to a representative of the Group. Registrations received after March 1, 2014 will be processed and held for pick-up at the registration area upon your arrival.

Pre-Registration applications may be forwarded to "Roundup"
