This year's round-up will be held at: **The Horizon Achievement Center 780- Upper Prince Street, Sydney NS** on March 13, 14, and 15th 2015

The main purpose of pre-registration is to avoid the rush at the registration tables and free up the volunteers to take in as much of the weekend as possible. Only Two-hundred banquet tickets will be available on a first come basis. Our banquet is always a very popular event and tickets go very fast. Anyone who pre-registers can order banquet tickets at the same time and the tickets will be matched to your name tag. Tickets and Name Tags will be available at a separate table which will allow for faster registration service. **Additional registration forms are available on the area 82aa.org website events page by just clicking District 9 C.B. Roundup.** For more information call Albert D. @ 902 -270-6545 or Trish M. mclean.macpherson@gmail.com

Pre-registration forms should be mailed to:
