

AREA 82, DISTRICT 15 DCM REPORT
to the 2020 NL SERVICE WEEKEND (via ZOOM)
June 20th , 2020

Hi , I'm Angela, DCM for district 15, covering St John's and the surrounding areas. They are made up of 37 groups and approximately 40 meetings weekly. Our district meetings are held at the first Monday of each month with an attendance of between 10 and 20. As of now, all of our district positions have been filled. We have monthly reports from our secretary , our treasurer, CPC PI committee liaison and intergroup provides informational reports.

We do have a literature chair which has been taken over by Nick as he has the information as our secretary. He gives us regular updates on the grapevine, as well as new and interesting literature coming up from GSO. Our Institutions Committee is active in the community, with one registered group at the penitentiary and weekly meetings at the Recovery Center. The institution's report is given every other month. CPC PI Committee have active contacts with the labor union, workplace safety committees, seniors' complexes, professionals and clergy. They provide speakers for the Drinking and Driving Awareness Program run by Eastern Health and at the levels of educational facilities. Hospitals are provided with GSO approved material, PSA's are provided to the local radio and TV networks. The committee also provides speakers for Choices for Youth, and are very involved with area wellness programs.

In our district, we strive to have workshop sharing sessions monthly. As of late we haven't been greatly successful with that, hopefully, are in the future. I have implemented a study the 12 Traditions and the 12 Concepts to be done monthly by one volunteer GSR. The GSR has the whole month to speak with their sponsor and others and then they give a brief presentation each district meeting. I've started a small library for members of the district to check out on a monthly basis.

In closing, I would like to say COVID-19 has presented many challenges. But here in District 15, we have persevered and put together zoom meetings with the help of intergroup.

I only wish that our 11th tradition was fully respected. Thank you very much for your service .

Angela C.
