

Delegates Corner

April 2017

Hi Everyone,

I am sitting at J.F.K. Airport on my way home from the General Service Conference. This week has been an amazing experience for me, to sit in a room with Delegates, Trustees, and Staff members striving to carrying out our primary purpose to carry the message to the still suffering alcoholic. What a honour and privilege, for which I am most grateful.

I am looking forward to my Report Back which will be given at the Service Weekends and I would ask my fellow Area Officers and D.C.M.'s to encourage as many G.S.R.'s, Group members to attend. It is my opinion that this is an exciting time to be in the A.A. Service structure, as we try to carry the message in new and exciting ways, (more to be revealed). There is a lot of work to be done in our Area but I am confident that we have the resources to carry out this important work, and I am looking forward to working with you all over the next 20 months.

The Conference process is a wonderful opportunity for our group conscience to be heard. Let's do all that we can to see that your groups voice is heard loud and clear.

I will be away on vacation from May 3rd to 10th and will be ready to hit the ground running when I return.

Thanks to all for an experience of a lifetime, see you soon.
